

Studio

Our studio was newly built in 2019. It houses three studio spaces, marley flooring, bathrooms, water fountains, an expansive lobby and a homework/dressing room.

Classes

Our classes run a semester basis. Our fall semester runs from the end of August through the middle of December. There is no Showcase or Recital for the fall semester. Our winter/spring semester runs from January through the beginning of June. There is a Showcase/Recital held at the end of May/beginning of June for all participating classes.

Showcase

Our showcase is typically held at the end of May or beginning of June. All classes not marked in blue on our schedule, are expected to perform. Our competition team, DanceWorx, also performs a select few pieces. More information regarding showcase will be added to our News & Events page come mid-March.
